

Important Notice to Hideout Residents and General Contractors

- ◆ Please be aware that the speed limit in Hideout is 20 MPH. Speeding is dangerous and is especially unsafe as the weather has improved and many more pedestrians are out and about. If we continue to have complaints, we will have no choice but to add speed bumps on Longview and Shoreline. We have budgeted for electronic speed signs as well and hope to install them this summer.
- ◆ The travel on the roundabout on Hideout Trail is one-way to the RIGHT only. If you see anyone going the wrong way, please try to get a photo of both the driver and the license plate. The photos will help us find the driver and ensure they are cited.
- ◆ The Town has plans to add additional signage as well as cameras at the roundabout so that we can better reinforce the message as well as capture and document wrong-way traffic.
- ◆ **Please drive the speed limit and respect the directional signs!**

Thank you,
Town of Hideout
