Conditional Use Permit (CUP) Application Form

CUP Application Process (12.26.04)

A Conditional Use Permit shall be required for all uses of property listed as *conditional uses* in Title 12. A Conditional Use Permit may be revoked upon failure to comply with or failure to maintain conditions precedent to the original approval of the permit.

Considerations of Conditional Use Permit (CUP) Procedure:

The application shall be accompanied by maps, drawings, or other documents sufficient to meet the requirements of a site plan review for those *conditional uses* which require such a review, and sufficient to demonstrate that the general and specific requirements of this title will be met by the construction and operation of the proposed building, structure or use. In considering an application for a conditional use permit, the Planning Commission shall give due regard to the nature and condition of adjacent uses and structures. The Planning Commission may deny a permit; may grant a permit as applied for; or may grant a permit subject to such requirements and conditions which it finds reasonably necessary to mitigating the anticipated detrimental effects of the proposed use. The granting of a conditional use permit shall not exempt the application from other relevant provisions of this title or any other term, condition, or provision of the Town Standards.
