

The Town of Hideout  
Invites you to attend

**SEP 21 & 27**

# Planning Charrette

*charrette - a meeting in which all stakeholders in a project attempt to resolve conflicts and map solutions.*

**YOU SPOKE,  
WE LISTENED.**

In June, 2022, Hideout Residents participated in a community survey regarding a variety of planning issues relating to Hideout. We received more than 300 responses to the survey; a significant response rate for which we are grateful. As a result of that input, the Town Council has asked that we follow up with a series of virtual meetings to continue the community dialogue that is so important.
