

In this issue:

- Community Visioning
- Dog Waste Bin Alert!
- Noxious Weed Reminder
- Welcome Keri Wilson

Dog Waste Bin Alert

In the April Newsletter we announced the installation of Dog Waste bins in Hideout. We also cautioned dog owners that the bins are for dog waste only.

Because residents are using the bins for disposal of garbage as well, the Town will not be able to continue the dog waste service unless residents cease using them for garbage.

Please, use bins for dog waste only.

Hideout Welcomes New Staff Member Keri Wilson

Hideout is happy to welcome its new Finance Manager, Keri Wilson. Keri is from Northridge, California and attended Utah Valley University. She has been an accountant for an IT consulting firm and is looking forward to this new responsibility with Hideout.

Keri has four very active, athletic kids and enjoys skiing, swimming and running in her spare time.

Hideout Summer Concert Series is back!

Friday, June 24th at 6:00pm. Join neighbors and friends for an evening of music—Muddpuddle, the Band—and great food by Yoli's Taco truck and Lucky One's truck serving locally made desserts. Details coming!

Community Visioning

The Town Council and Planning Commission have been quite busy over the last year addressing a number of development applications as our community continues to see new growth. As summer approaches, we want to reach out to all residents and property owners to get their input regarding various planning, development and fiscal issues.

We have prepared a short Community Survey that was sent to each resident and lot owner's email address we have on file. The survey will be available for everyone from June 4th through June 14th. If you or someone you know who resides within the community did not receive the survey, please email our Town Clerk, Alicia Fairbourne, at afairbourne@hideoututah.gov.

In July, the Town will launch a series of 30-minute "Lunch and Learns" (noon Zoom presentations) and similar evening events to update residents and property owners to receive their feedback on current planning issues.

Watch for specific dates, times and Zoom links in the next Town Newsletter. We hope you will join us and spread the word about these opportunities to hear about current and future planning issues that could affect your neighborhood and will surely affect the Town of Hideout.

Noxious Weed Reminder

Now that spring is here and summer is on it's way, which seems to be a short period of time in the mountains, it's time to get on top of checking for noxious weeds on your property. Please be aware that you can report the condition of your property or send a receipt from your treatment company by June 20th.

Email Carol at carol@hideoututah.gov, or Kathleen at khopkins@hideoututah.gov.

Special Notice:

Please see the Hideout Annual Noxious Weed letter to all Hideout property owners attached to this email!
