Dog Waste Bins

Please, please, please remember that the dog waste bins are for **dog waste only!**

A Request from the Utah DNR—Jordanelle State Park

Hideout residents have been asked by Jason Whittaker, Park Manager, to please be aware that the entire Ross Creek area is closed until construction is complete and the opening is announced (later this summer). Rangers have been citing Hideout residents for trespassing who have walked into the area using illegal trails.

We are excited for the new improvements and to have access to Ross Creek again. Let's keep safety in mind first, have patience, and respect Jason's request. Thanks!

Coming Up—

- June 30th, 2:00pm
Special Meeting,
Public Hearing
- July 4, Independence Day
Town Hall closed
- July 13, 6:00pm Town
Council, Regular Meeting
- July 20, Planning
Commission, Regular
Meeting
- July 24, Pioneer Day
Town Hall closed

UDOT Seeks Input on 2023 Long-Range Rural Transportation Plan

The Utah Department of Transportation (UDOT) Long-Range Plan is now available for public comment. That means everyone!

The Plan details rural Utah's anticipated transportation needs for 2023 through 2050 and includes a list of proposed projects on State routes.

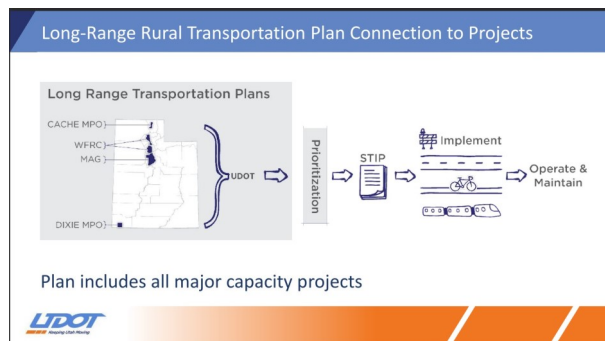

A key part of the planning process is involving the public. You are encouraged to comment on the plan through July 25, 2023.

The plan is available for review at <https://udotinput.utah.gov/udotplanning>

You can provide feedback if you:

- Visit <https://udotinput.utah.gov/udotplanning> to fill out a comment form and provide feedback directly on a comment map.
- Email the planning team at planning@utah.gov.
- Call a team representative at 385-360-1900.

The Hideout POST Committee encourages Hideout residents and land owners to reach out to UDOT with their comments and ideas. The Committee will work with UDOT Region 2 to study the Plan's impact on the Hideout area.

Visioning Committee: Hideout 2030

Thanks for all who have given the Town input through charrettes, meetings and surveys. We have made a lot of progress over the past few years! Now we are taking things to the next level. The Town is working towards a plan for Hideout 2030 to catalyze economic opportunities and minimize challenges. We are seeking individuals from each neighborhood to get input on specific strategic ideas from the land owners and future residents. Please contact Jan McCosh if you would like to get involved in a strategic plan. jmccosh@hideoututah.gov

Hideout Concerts 2023

Hideout Summer Concerts are back! Please see the attached flyer for upcoming dates.

Send Weed Abatement Reports In!

If you have received a Weed Abatement Notice in the past week, don't forget to send your reports in by July 7th. Unreported properties will be treated by the Town and costs charged to the property owner. Property owners, not treatment vendors, are responsible for reporting. No weeds? Indicate this on the report and send to weeds@hideoututah.gov. Thanks!
