

Hideout Co-sponsors Jordanelle Community Clean-Up

With a long, long winter and late spring, our community is in need of some TLC! Please join us for the Annual Jordanelle Community Clean-Up Day on Saturday, June 10th, 10am—

12pm with lunch afterwards at the Black Rock Mountain Resort.

This year there will be a dumpster at Hideout Town Hall. Or you may leave trash bags out (outside garbage only) and text for pickup. See more on the flyer attached to this newsletter email. For additional information and sign-up online go to: www.thejordanelle.com/cleanup

Noxious Weed Control Extended Deadline

With delayed growing conditions this spring, the reporting deadline for noxious weed control has been extended to June 14th.

Who should report? Home and land owners with dedicated lots or parcels for which they are personally responsible for landscape care. Residents that live in twin and town homes or single family homes on common property do not need to report. Their respective HOAs are responsible for weed control.

Please read the 2023 Noxious Weed Abatement letter, Report Form, and Noxious Weed list sent in previous emails. Please send report forms to weeds@hideoututah.gov. Thank you!
