Groomed snow on upper Beaver Creek Trail—Mirror Lake Highway

❄️ WINTER IN THE UINTAHS

With this winter’s snowfall off to a good start, ski resorts are in full swing and winter back-country recreational opportunities in the nearby Uintah Mountains are calling! Weber Canyon, Mirror Lake Highway, and Wolf Creek Pass are within 20-30 minutes of Hideout and offer snowcat skiing, cross-country skiing, snowshoeing, and snowmobiling. Here’s a short summary of what’s out there:

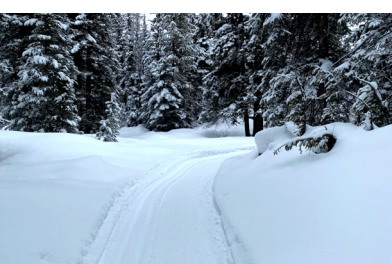

Weber Canyon—

Park City Peaks Snowmobiling: <https://www.powderutah.com/>

Park City Powder Cats: <https://pccats.com/>

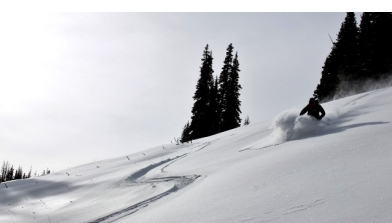

Mirror Lake Highway—

Rent snowmobiles at Weller Recreation in Kamas and begin your ride from the Soapstone Parking lot on the Highway.

Cross country and snowshoe trails abound. Try the Beaver Creek Trail, which parallels Beaver Creek in beautiful forested areas. Three parking areas along the Highway give you access to the trail. A favorite of Town staffers LuAnn Peterson and Carol Kusterle.

Wolf Creek Pass—

A quick drive east through Francis and Woodland will put you on the road to Wolf Creek Pass. If you love exploring the back-country, hiking to a summit on skins and skiing virgin powder, this is the place for you. Take avalanche safety equipment and observe precautions.

Nobletts Creek is a snowshoe/hiking trail with a short, moderate ascent up a picturesque canyon beside ponds and a delightful stream. Enjoy quick access to the trail from the Nobletts Trailhead parking lot.

❄️ Congratulations Town Council Members!

Congratulations to Bob Nadelberg, Carol Haselton, and Jonathan Gunn for being elected to the three open seats for Town Council! The Town appreciates all of the time and effort these Council Members give to Hideout residents and owners.

Parking Violation Fee Update—Be Aware! ❄️

Hideout owners, and especially those with active building permits—please be aware that as of January 15, 2024, [the Hideout Fee and Rate Schedule, Section 5.1, Penalty Fees: Code Violations](#) for Parking Violations and Non-Moving Vehicle Violations has been updated.

❄️ Stay Tuned... ✂️

For news on Hideout ski days! Feb. 24th for Deer Valley and Feb. 25th for PCMR. Make a day of it with your Hideout friends and neighbors. Times and meeting places coming soon.

Dark Skies Lighting ❄️

A friendly reminder to all residents that Hideout is a Dark Skies Community (Town Code Section 10.16).

Please check to see that all exterior lighting of any kind is shielded. Unless you turn your exterior lights off manually, they should be on timers to turn off no later than midnight and no sooner than 6:00 am. Thank you!

What is THE DIGNITY INDEX? ❄️

Ease Divisions. Prevent Violence, Solve Problems.

The Town of Hideout supports the Utah League of Cities and Towns in its adoption of the Dignity Index, which promotes three principles: respect, collaboration, and outcomes. We strive to respect each other’s roles and work together to achieve mutually beneficial outcomes.

Our Mayor, Council Members, and Town leaders are on the front line to ensure the quality of life of today’s and tomorrow’s residents.

Treating each other with dignity and respect is critical so that we can collectively tackle the challenging issues facing our community. As owners in Hideout, our strength is based on our ability to work together, even when we have differing perspectives.

As local leaders, we strive to set an example of not just civility, but dignity is all our interactions.
