Winter Parking Reminder #2

Please, no parking on the street during and the day after a snowstorm. Plows must be able to get through to clear the entire width of the street! Because plows cannot lift every bit of snow, salt is sprayed to melt the remaining snow. Slushy conditions should be driven cautiously until roads are dry. This is winter in Utah!

Hideout Now Represented on Wasatch County TAP Board

Hideout resident and staffer Kathleen Hopkins has been appointed to the Wasatch County TAP Board, which will allocate the tax dollars collected from the TAP tax (1/10 of 1% sales tax). Her recent comments: "I am attending my first meeting tonight...The board... is just getting started with a mission statement, priorities and processes for making allocation decisions. I am excited to represent Hideout and hope to shine a spotlight on the projects we would like to get off the ground."

Planning Commission Alternate

Hideout is looking for an Alternate Planning Commission Member to fill the remainder of the term of a term until January 1st of 2026. If you would like to have input in the way Hideout is developed in the future and are interested in serving on the Planning Commission, please contact Alicia Fairbourne at 435-640-2188 or afairbourne@hideoututah.gov.

Blanket Drive Warms Up the Holidays

Hideout neighbors, thank you for your generosity and sincere caring for our community! Your donations will keep many wonderful people warm this winter. The Hideout Community Engagement Committee helped the Town collect blankets and cash donations equivalent to 120 blankets for the Peace House of Park City.

We buried the Peace House tree in blankets! The Peace House staff expresses gratitude to Hideout.

This was double their goal! After visiting the Peace House with other municipal leaders in the fall, Hideout's Jan McCosh noticed that the blanket shelf was empty and returned to Town exclaiming, "Lets fill those shelves!"

Mission accomplished, Jan!

Your Skills Are Needed!

As you know, Hideout is a small town with a high growth rate. Like many rapidly growing communities, Hideout can benefit from a diverse set of skills. Accordingly, the Town would like to ascertain whether

there are residents who would consider sharing their individual expertise on a part time basis, for the benefit of the Town.

There are a number of town committees including the Community Engagement Committee; Parks, Open Space and Trails (POST) Committee; Transportation Committee; and Economic Development Committee in addition to the Planning Commission and several other ways to contribute.

If you have expertise in an area listed in this survey (link below) and would be willing to share your time on a part-time or ad-hoc, voluntary, as-needed and uncompensated

basis, please respond to this survey. There will be absolutely no obligation of any kind if you respond. You would be free to decline or limit your participation on any committee or project for any reason at any time. Interested? Please go to:
