

Fire Mitigation Known Vendors List

(As of April 18, 2025)

The following is a list of local tree removal companies that are currently on The Colony HOA's "Known Vendors List" because they have read and agreed to abide by the HOA's FM Rules pertaining to tree and hazardous fuel removal.

NOTE: The HOA has not verified whether the vendors on this list currently have proper licensing and insurance. It is the responsibility of the homestead owner to verify these and any other issues that the homestead owner deems pertinent.

In the event that a homestead owner chooses to employ a tree removal service that is not currently on the Known Vendors List, it is the responsibility of the homestead owner to make sure that the proposed vendor contacts the HOA for a set of the FM Rules and sign an acknowledgment that they agree to comply with all of The Colony HOA's fire mitigation rules.
